

# PROJECT RECHARGE DONOR OPPORTUNITIES

## PROJECT RECHARGE

In an effort to show our appreciation and gratitude to our funders, Envirolution will acknowledge donors through our website, newsletters, and promotional materials.

### \$50 - SUPPORT A PROJECT RECHARGE LESSON FOR 30 STUDENTS

- Helps provide the essential classroom materials required to teach an engaging 45 minute lesson on energy basics to 30 middle school or high school students
- That's only \$1.66 per student!

### \$100 - SUPPORT A PROJECT RECHARGE LESSON FOR 60 STUDENTS

- Helps provide the essential classroom materials required to teach an engaging 45 minute lesson on energy basics to 60 middle school or high school students
- That's only \$1.66 per student!

### \$150 - SUPPORT A PROJECT RECHARGE LESSON FOR 90 STUDENTS

- Helps provide the essential classroom materials required to teach an engaging 45 minute lesson on energy basics to 90 middle school or high school students
- That's only \$1.66 per student!

### \$250 - INTERACTIVE TEACHER WEBSITE AND PORTAL

- Helps support our teachers through the new Project ReCharge interactive website and portal
- Each participating teacher receives a unique account, giving them access to the latest Project ReCharge curriculum, paperless lesson feedback, communication portal for teachers and staff and electronic material request forms

### \$500 - SUPPORT AN EXISTING PROJECT RECHARGE TEACHER

- Provides 1 established Project ReCharge teacher with all the classroom resources, updated curriculum and ongoing assistance to reach over 150 students during one academic year!
- That's only \$3.33 per student!

### \$750 - END OF THE YEAR RECOGNITION GIFT PACKAGE

- Supports recognition to all our new teachers and top student groups with logo water bottles and framed certificates
- Name or logo included on the bottle design and mentioned during end of the year event

Envirolution's Project ReCharge augments the basic school districts' STEM curricula to provide greater educational and potential career opportunities for students, with a clear focus on sustainability. Based on results to date, it's a win-win-win for students, teachers, and the community. Please consider your tax-deductible donation (20-8274660) as being an integral part of continuing and expanding this unique program in Northern Nevada.
