

ENERGY EXPLORATION

VERSION 1

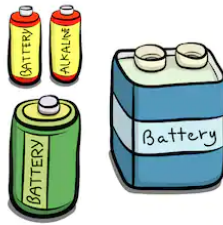

Can you find all of these forms of energy? As an **additional challenge**, can you label the clues as sound energy, light energy, thermal (heat) energy, mechanical (movement) energy, electrical energy, or chemical energy?

 <p>The Sun</p>	 <p>A person talking</p>	 <p>A lightbulb</p>
 <p>Hot food</p>	 <p>Using Scissors</p>	 <p>Listening to music with headphones</p>

Riding a bike

Batteries

Find Your Own Energy
Example!

Opening a door

Playing a sport/exercising

A Bird Flying
